LOGAN, CACHE COUNTY, UTAH TUESDAY JANUARY 25 1916

FOURTEENTH YEAR

## STATEMENT BY PRES. WIDTSOE

Makes Clear His Position With Respect to His Election to the Presidency of U. of U.

Upon my return from Monroe where I have been in attendance at the Southern Utah Farmers' Roundup and Housekeepers Conference, I find much speculation concerning my election to the Presidency of the University of Utah. As yet I know of the election only through the news papers. It is probable, though not definitely settled, that, when the notice of my election reaches me, I shall accept the position. If I do so, it is because I shall then be convinced that I can in the new position serve my State and the people better than in the position which I now hold, and not because I am in the slightest degree dissatisfied with the work, associations or splendid promise of the Utah Agricultural College.

There can be no broader educational field than that occupied by the College for it stands unequivocally for a liberal education for all the people, and the full use of all knowledge for the good of man, in whatever human activity. The Agricultural Colleges have always been among the standard bearers of educational progress.

Wherever I go I shall be a friend and defender of the Utah Agricultural College—the Institution which I have helped to build during a period of 22 years, nearly all the years of my mature life. If there is any talk of "consolidation," I have not heard it. When I assumed the Presidency of the College I felt that the "consolidation" question was not one for school teachers to meddle with, and I resolutely determined to have nothing to do with a matter that clearly should be settled by the taxpayers. If I go to the University of Utah, it will be with the same determination. As long as the College and the University obey the laws of the state and work vigorously to magnify their respective fields, there will be little likelihood in my opinion of the consolidation question arising again in Utah. I have likewise held and do now hold that questions of politics and religion must be excluded from our State educational institutions and I have attempted to enforce this view. The efficient school teacher is the one who keeps busy in the class room and laboratory.

In life I can expect no greater satisfaction and joy than I have had in helping to solve the great problems, agricultural, educational and others, that have occupied the attention of the Utah Agricultural College. Nor can I hope for better support than has been given me by students, faculty and trustees of the College. Neither can I possibly give more fully of my strength and time and powers to any institution or locality than I have given for nearly a quarter of a century to the Utah Agricultural College and to Logan and Cache county.

If I leave the College and Logan, my life long home, it will be with a heavy heart, and only because I conscientiously believe that it may be for the best interest of the State. My friends and all who know me will not question the sincerity of my motives.

JOHN A. WIDTSOE.

## FUNERAL HELD AT PARADISE

Ethan Allen Buried in Town of His Birth. Parents Part With Third Grown Child

Paradise, Jan. 20.—At 1 o'clock on January 20 the funeral services were held in the Paradise ward meeting house over the remains of Ethan Allen, the young man who died at Logan, January 17 at the home of his grandparents Mr. and Mrs. Samuel Holbrook.

The house was well filled with sympathetic relatives and friends of the young man and his family. They were all residents of this ward until four years ago when they moved to Idaho to make their home there. The blow is extra hard on Brother and Sister Allen, as this is the third grown child they have been called to part with. They have the sympathy of the entire community in this their

## FATHER GOES TO SCHOOL NOW

Sonnie had a little dad; some fleece he had and dough; son learned so much at the Farm School that father went also.

4:00 P. M.—Conjoint, Chapel.

Plays, under the direction of Prof. Frank R. Arnold.

and bereavement.

The services began by the choir singing, Shall We Meet Beyond the River. Prayer was offered by Joseph B. Obrey. The choir further sang Wanted On the Other Side.

Consoling remarks were made by the following: J. P. James, W. J. Willis, R. P. Bradshaw, G. E. Olsen, Bishop Merkley of Idaho, and closing remarks by Bishop P. O. Hansen, all of whom bore high tributes to the deceased. Each one spoke of his faith in the gospel.

During the services Lizzie Lemon and Lizzie Richman sang a duet entitled, My Father Knows. The benediction was pronounced by P. O. Hansen. Remains were interred in the Paradise cemetery.

## SPELLING IN COUNTY SCHOOL

In order to stimulate more interest in good spelling Supt. Larsen arranged a spelling contest for the seventh and eighth grades of the county schools in connection with the recent midyear examinations. A list of one hundred words were selected by Supt. Larsen for the test.

The words cannot be classed as easy by any means and a very commendable showing is made by the schools.

## REGISTRATION LARGE AT U. A. C. ROUND-UP

Eighty Men and Fifty-nine Women Take Advantage of Annual School For Farmers and Housewives

There was a fine representation of farmers and housewives in attendance at the opening of the annual Farm Convention and Housekeepers Conference at the Utah Agricultural College yesterday. Eighty men registered for the various courses at the farm convention and fifty-nine women for the housekeepers conference.

President John A. Widtsoe welcomed the convention attendance and a response in behalf of Cache county was made by E. O. Reese and in behalf of Weber county by David O. McKay. Mrs. J. C. Wheeler of Box Elder county gave a response in behalf of the women.

The outlook for a large attendance was very bright yesterday considering the condition of the weather.

## WESTON MINERS SHIPPING CAR LOAD OF ORE

Weston, Jan. 24.—James H. Kefoed reports his mine in a flourishing condition. He has about twenty men at work every day now and will ship a car of ore in about ten days. After the first car is loaded and shipped, they will be loading one car a week thereafter. If reports are true we will have a mining town in Weston canyon. Several mining companies have been organized and they are busy digging gold from the ground.

Grain is starting to move again; the prices are good and farmers are taking advantage of the good roads and are disposing of their wheat.

Dr. Beckstrom is out again after six weeks in bed with rheumatism.

Each school was pitted against another school of like size. The entire number enrolled in each grade took the test. The following shows the average percent attained by each grade as a whole and the average of the two grades combined:  
Avon—Class Average, seventh, 67;

## NEW TRUSTEE AT COLLEGE APPOINTED

Salt Lake, Jan. 24.—Mrs. Annie K. Hardy, Saturday was appointed a trustee of the Agricultural College at Logan, replacing Mrs. Hazel Love Dunford, who has resigned.

Mrs. Hardy was born in Salt Lake the daughter of John Moburn Kay, who coined the first money ever used in the State of Utah, and the first double eagles ever used in the United States. Her father was considered the best vocalist of his time in Utah and he took the leading part in the first dramatic production of note in this state.

Mrs. Hardy attended the University of Deseret, now the University of Utah, under the regency of President John R. Park and was graduated in the normal course.

She began teaching with Dr. Karl G. Maeser and also with Dr. Milton H. Hardy in the grades and continued in the Twelfth ward school with J. B. Moreton.

She taught in the Eighteenth ward seminary when Horace H. Cummings and C. M. Mumford were in charge there.

Regarding her appointment, Mrs. Hardy last night said: "I have been an earnest student in all educational work, and trust I may be of some service to the State of Utah in my new post."

Mrs. Hardy is the mother of R. K. Hardy, district manager of the Western State Life Insurance Company; John K. Hardy, secretary to Gov. William Spry, and K. D. Hardy, cashier of the Home Savings & Trust Company.

## NEW IMPLEMENT CONCERN STRONG COMBINATION

Articles of Barber Vehicle and Machine Co., to Be Filed With \$10,000 Capital

Following the announcement that the Sidney Stevens Implement Company had been leased by H. P. Barber and associates, comes the news that Manager Ole Sonne of the Studebaker Brothers in this city, James R. Thomas for years head salesman for the Consolidated Wagon and Machine Company and Charles Carlson who has been associated with the Sidney Stevens Implement Company, are to join a partnership with Mr. Barber in the conduct of the new business. As has previously been stated these people will handle the International Harvester Company McCormick line of farm equipment and the Oliver line of plows. The new concern will take hold of the business about February 1st.

Articles of incorporation are being prepared and will be filed in a few days, giving the name of the new corporation as Barber Vehicle & Machine Company.

The capital stock of the new concern will be \$10,000.00 with the following officers: H. P. Barber, president and general manager, O. A. Sonne, 1st vice president; Lionel Farrel, 2nd vice president; James R. Thomas, Secretary and Treasurer; and Charles Carlson with the above will form the board of directors.

This should be a strong combination and as all the above gentlemen are well known in Cache Valley, and have been connected with the implement business for a number of years, they are prepared to meet all the requirements needed in a vehicle and machine business. All these gentlemen are widely known in this section of the state, we are sure they will commend themselves to the farmers and that they will be widely patronized in their new venture.

## A MOTTO ON MY WALL

There's a rule in life to guide you,  
If you seek prosperity;  
Never place your wishbone  
Where your backbone ought to be.

## AMALGAMATED SUGAR COMPANY GIVES PRIZES

P. M. Williamson and Levi Cooper, of Wellsville Get the Money

At the last Cache County Fair, the Amalgamated Sugar Company offered a cash prize of \$15 for the best five acre patch of beets and \$10 for the best one acre patch of beets. Samples of said patches were on exhibition at the fair and the judging of the beets was done according to the following score:

Sugar 25 per cent; purity 20 per cent; sugar per acre 20 per cent; tonnage 20 per cent; and size and shape 15 per cent.

As the number of samples of beets on exhibition at the fair did not comply with the rules, the premium for size and shape did not enter into the scoring.

The beets were analysed by Prof. C. T. Hirst, under the direction of Dr. J. E. Greaves of the Utah Agricultural College.

Following are the results of the sugar beet contest at the Cache County Fair, 1915:

### Five Acre Patch

H. and A. Woodward, sugar 17.6; purity, 84.9; tonnage, 80.0; sugar per acre, 1.23 tons; premium, none; per cent, none.

T. S. Bradshaw, sugar 17.6; purity 82.1; tonnage 85.0; sugar per acre 1.31 tone; premium, none; per cent, 25.

P. M. Williamson, sugar 17.4; purity 85.9; tonnage 91.25; sugar per acre 1.36 tone; premium, none; per cent 40.

S. E. Lamb, sugar 14.0; purity 78.2; tonnage 107.5; sugar per acre, 1.17 tons; premium, none; per cent 20.

W. E. Nyman, sugar 14.0; purity, 76.4; tonnage 92.58; sugar per acre, .997 tons; premium, none; per cent none. Total 85 per cent.

P. M. Williamson, of Wellsville, is the winner of the \$15 cash prize.

### One Acre Patch

Francis Nelson, sugar 14.6; purity 70.53; tonnage 18.8; sugar per acre .967 tons; premium, none; per cent none.

Levi Cooper, sugar 15.6; purity 80.2; tonnage 21.0; sugar per acre 1.31 tons; premium, none; per cent 55.

Levi Cooper of Wellsville is the winner of the \$10 cash prize.

The beets for the year 1914 were far better than last year, in fact the officials of the Sugar Company state that the year 1914 was the best year for beets in the history of the factory. The sugar, purity, tonnage, and sugar per acre, were exceptionally high.

## HAPPENINGS AT MENDON

Mendon, Jan. 24.—On Monday evening last The Gloria Fe Club gave a party for Mrs. Jack Larsen who is leaving town. Those present were: Mr. and Mrs. J. A. Gardner, Mr. and Mrs. J. H. Watkins Jr., Mr. and Mrs. Alma Baker, Mr. and Mrs. Eddie Watkins, Mr. and Mrs. David Baker, Mr. and Mrs. Nephi Sorensen.

The stork visited the home of Mr. and Mrs. C. C. Watkins and left them a baby girl. Mother and babe are doing nicely.

The basketball game between the B. Y. C. and Mendon teams on Friday was a fine game. The final score was 22 to 40, in favor of the Mendon team. There was a dance after the game which was a grand success.

On Wednesday evening the Mendon basketball team played in Wellsville and won the game there also. This was the first game they had played this season.

On Thursday evening the Mendon choir held a social and dance. In the early part of the evening the following program was rendered:

Speech of Welcome.....  
... by the Leader, Isaac Sorensen  
Piano Solo..... Ethel Sorensen  
Stump Speech..... W. I. Sorensen  
Mandolin and Guitar Selection....
